PROJECTS

- **AI Image Generator Application I** *mongodb, reactjs, express, nodejs, openAI API*
  An advanced AI-powered web app built with MERN stack that generates unique images from user text prompts using DALLE APIs. It supports image preview, download, and prompt history management.
- **CrowdFunding Application using Blockchain I** *MERN Technologies, Web3, Blockchain, Metamask*
  A secure and transparent crowdfunding platform developed using the MERN stack integrated with blockchain technology. It enables users to launch and fund campaigns with immutable smart contract-based transactions.
- **Blog Application I** *HTML, CSS, javascript, reactjs, express, nodejs, mongodb*
  A dynamic blog platform built using the MERN stack, featuring user authentication, rich-text post creation, editing, and comment functionality. It offers a modern UI and seamless user experience for content sharing.

CERTIFICATIONS

- Data Structure & Algorithm(udemy)
- CPP Training (Spoken Tutorial, IIT Bombay) - Score: 76.50 percent
- MERN Stack Full Guide(Udemy)
- Certification on SEO(eMarketing Institute)

EXTRACURRICULAR ACTIVITIES

Webinar Session
- I attended an interactive session with Dr. Manish Joshi, Secretary, UGC. During this session, he shared valuable insights on various important topics, enhancing my understanding of education and academic trends.

- I also participated in a session on Machine Learning and Generative AI, led by Bhushan Garware, Senior Data Scientist at Google, India. This session provided me with a deeper understanding of AI-driven innovation and the impact of machine learning in various industries.

Leadership & Co-Curricular Activities
- *NSS Coordinator*
  Actively coordinated various National Service Scheme (NSS) activities and social outreach programs, promoting community welfare and student participation. Took the lead in organizing campus cleanliness drives, awareness campaigns.
- *Magazine Writer – College Editorial Team*
  Contributed insightful articles and creative content to the college magazine, enhancing campus storytelling and engagement.
